

# This Is the Opening Day of Our Two New-Type Markets

726 Seventh Street Northwest  
Between G and H Streets In the Shopping District

Some of the many features are the white enameled interiors, ample ventilation, natural light, and floor space.

The equipment—mechanical refrigeration, automatic electric scales, plate glass, refrigerated display cases—insures perfect sanitation for foods. There are many other features too numerous to mention here.

## Old Dutch Chain Markets

1440-42 P Street Northwest  
Adjacent Riggs Market

We call particular attention to the appetizing home-cooked foods in the delicatessen departments, and how they are displayed and sold in plate-glass refrigerated cases. As you wander on and see the display of fresh and smoked meats, fish, poultry, home-baked bread, cakes, pies, fancy and staple groceries, fresh fruits and vegetables, dairy products, etc., you will agree with us that we have succeeded in building two wonderful food markets where thrifty housekeepers can purchase their foods economically and under most perfect sanitation.

### More Slices for Your Money

That is what you get when you buy Boiled Ham, Bacon, Dried Beef, Minced Ham, Veal Loaf and other boneless meats from Old Dutch Market.

#### BECAUSE

All our cooked and cured meats are sliced on the American Slicing Machine. Slices cut "The American Way" are whole and uniform in thickness. Meats sliced "The American Way" look better, cook better, and taste better than hand-sliced meat.

The American Slicing Machine is used in all Old Dutch Markets because the American Way is the sanitary way and the machine enables us to give you prompt service and better service.

The Recognized Standard.
